

Tips:

1. Each child can register to one subsidized nursery only.
2. If parents want to transfer the children who have registered already but not using the nursery services to another nursery, parents may go at presence or authorize relatives to the new nursery to handle the transfer procedures (the referral declaration form can be downloaded at [the Website for Macao SAR Nursery Service Information \(/upload_files/app_pdf/transfer_declaration.pdf\)](#)).
3. If parents want to transfer the children who are using the nursery services to another nursery, they need to apply the withdrawal procedures at the previous nursery, then proceed the registration at the new nursery.
